Considering that there is just sufficient supply of rice in the Kolar Dist. — particularly in the T. & Bowringpet Hobli & Taluk alone & the food Rush is so extraordinary, has the Deputy Commissioner any stock of supply to be sent from Bangalore & making his arrangements for the supply from his own District. The Stores have known there is no surplus stock in the Depot at Bangalore (as in the Food Controller time I understood that supply) & it is surprising how he should say that no Commandeering is required

Since nothing further has been
heard in the matter (Sunday 24th was the
Sunday day), it is presumed that supplies of
ragi have been available on the K.G.F.
The D.C. has had time to arrange
for supplies to future shandies by Commandeering
Stocks in the K.G.F.

Camp Bangalore,

No.C.484 21st November 1918

Dear Sir,

Both Mr. Pritchard and the Special Magistrate are absent from the Field. There are no stocks of ragi on the field. Commandeering takes time. The Vice President, Sanitary Board requires immediate supply of ragi. I request you to kindly do me the favour of permitting merchants to take ragi to the Field as requested by the Vice President, Sanitary Board in his communication to the Food Controller. No commandeering is required at Bangalore. The matter is very serious. In case it is a question of waggons, please communicate with the Director of Civil Supplies. I am going to the field as soon as possible, as I have been asked to come by the Munsiff Magistrate

Yours sincerely.

Sd. B. Venkoba Rao.

Letter No.C. dated 27-11-18 from the Deputy Commissioner, Kolar. to the Food Controller in Mysore, Bangalore.

I have the honour to acknowledge your letter No.187 dated 25th November 1918 and letter No.207-15 dated 24th November 1918 and to state as follows:--

No returns of stock commandeered have yet come in and I shall be able to estimate the probable date by which I can supply ragi to you only after some returns come in, when I will be in a position to judge the rate at which commandeering will go on. Meanwhile, as you appear to want ragi very urgently, you may issue licenses to merchants to import ragi to the extent of about 500 bags from Chintamani Taluk. The licenses may be issued with instructions that the merchants should first obtain my countersignature and then the countersignature of the Amildar before going to make purchases in the taluk. Not only the names of the merchants and sellers and the quantity to be purchased have to be mentioned in the licenses to be given to the importing merchants but the rate at which purchase is to be made may also be stated. The date up to which the licenses will be in force has also to be stated. For the present, I would request you to limit the period of the currency of the licenses to 10 days. By that time, I will be able to watch the working of the license system and intimate to you whether the license system is working well and whether it can be continued with or without modifications. The actual quantity purchased may also be caused to be reported by the merchants to the Amildar of the Taluk before export. As I am in difficulties myself to find ragi for the Kolar Gold Field and other markets in the District, I would earnestly request you not to issue licenses in any taluk other than Chintamni taluk, If you are issuing licenses kindly send me intimation so that I may watch whether the merchants go to make purchases without coming to me and the Amildar for countersignature.
